

Introduction of the New Arizona Men of Leather Website – (updated 03/08/2024)

1. Open: <https://arizonamenofleather.org/>
2. Top Navigation near right “Member Login”
3. New? Select “Register”
4. Fill in the required information.

This registers you for the website simply as a new website user. It DOES NOT give you member access until we verify your User Information with our official membership records. This can take several days since it requires one of the executive teams to monitor the emails and then authorize you as a MEMBER, PLEDGE, GUEST or simply a SUBSCRIBER (someone just interested in the club and would like to receive periodic emails about events).

Once authorized, you will receive an email with your authorization. Once done, you now have access to various portions of the website depending on your level of access.

Once logged in as a full MEMBER, your link will change to PROFILE OPTIONS near the upper right navigation. You now have access to LINKS FOR MEMBERS and EDIT YOUR PROFILE where you can upload a photo and keep your Profile current.

Features to be added:

- Two Step Verification
- Perhaps pay dues/contributions online
- Enhanced Calendar of Events
- Enhanced Image/Video Library
