

AZMOL Patch Pricing:

John from “Guys Craft Too” in Sun City West provided us with a sample patch based on our AZ MOL logo which is being passed around.

We had a miscommunication about the correct size so the proof copy is larger than the actual size. John has since corrected the size issues on his set up and is prepared to start producing them for us.

Based on the smaller size, they can run up to 8 at 1 time vs the original 6 he mentioned to me initially.

Pricing is as follows:

Set up Fee 1time	\$20.00
------------------	---------

1-8 Patches (ea)	\$4.50
------------------	--------

9-16 (ea)	\$4.00
-----------	--------

17-36 (ea)	\$3.60
------------	--------

37-60 (ea)	\$3.35
------------	--------

Seeking approval from the club on:

Quantity: how many should be ordered?

Is the proof patch acceptable to the club to move forward with or does club want to see a correctly sized patch?

AZ MOL Pins

Herman from Lannoye Emblems provided the following pin pricing for AZMOL Pins

Pricing as follows:

No set up fee because they have our project still on file. Pins will be a soft enamel w/ epoxy coating, 1 1/8" size, butterfly clutch, gold plating.

1 to 199 pieces - \$ 2.75 ea.

200 to 299 pieces - \$ 2.25 ea.

300 to 499 pieces - \$ 1.75 ea.

500 pieces and up - \$ 1.45 ea.

Seeking approval from club on:

1. Using this vendor again.
2. Do we try to see if they can fix the blue color on the pin, making it brighter to match the patch or leave as it is?
3. Quantity we should order

Plus the cost of shipping.
